Washington 4th annual address Nov 6 1792; "There has been a small beginning in the coinage of half dimes. the want of small coinage in circulation calling the first attention to them."

Washington is said to have brought the silver - some family plate - from which these were coined, to the Mint.

Chapman found in the Bascom Col. in 1914 a val. of the

Birch Cent: circle of pearls around ONE CENT

G.W. Pt. instead of too. perster

ob. die made in 1792 or 1816 intended for Tavenner stamp
rev. die cut & piece struck about 1870.

These 7 pieces would be worth about \$5,000.

Ladd was assistant to Peck who made these pieces.

"Sprinkle Dollars"

Made by a queer character living near the Kentucky-West
Virginia line in the early '30s. They were of pure silver.
On one side was a rude outline of an owl & on the other a
six-pointed star. Josiah Sprinkle lived in one of the
roughest sections of Lewis County, Ky. I must have had a
silver mine there. See ATN 1917 216
